

STATEMENT OF PURPOSE

RS20577C1

Idaho Code 23-1326 prohibits the extension of credit for the sale of beer by wholesalers to retailers. Idaho Code 23-1031 prohibits the extension of credit for the sale of wine by wholesalers to retailers. This legislation amends those two laws by allowing for a five business day extension of credit by wholesalers to retailers. It would also allow the use of a credit card as an extension of credit.
